

Southern Alleghenies Museum of Art ***Artists of the 21st Century: Student Art Exhibition - 2015***

GUIDELINES and Regulations:

Please read the following guidelines carefully.

- The letter of intent/acknowledgement form to participate must be received by Friday, December 5, 2014. Send your letters via mail to the attention of Ms. Beverlie Hartnett, Registrar, Southern Alleghenies Museum of Art, Post Office Box 9, Loretto, PA 15940.
- The registration form deadline is Friday, January 9, 2015. You will be notified at the beginning of January of drop-off and pick-up dates. Please mail your registration form to Beverlie Hartnett at the address above or e-mail to bhartnett@sama-art.org. Do not send the form via fax.

If all requirements are not met, the artwork in question will be excluded from the exhibition.

- All two-dimensional pieces must be **matted, framed, and ready to hang with screw eyes and proper hanging wire**. Pieces not ready to hang will be excluded from the exhibition. NOTE: A screw eye/D-ring may be used on each side of the frame, and wire should be attached 1/3 of the way down.

- Each district, not a school within a district, is limited to **20 TOTAL** individual pieces per **DISTRICT**. In addition, two large-scale group projects may be submitted. Again, a **group project consists of one collective object**, not individual artworks grouped together.
- **NOTE:** Please contact Ms. Beverlie Hartnett, Registrar via e-mail at bhartnett@sama-art.org with size dimensions of group projects. The museum reserves the right to reject any artwork that is too large to be properly displayed within the limited space of our galleries.
- **Each piece must be labeled on the back with the student's name, grade, school, medium of the piece, and art teacher** (labels will not be provided by the museum; however, teachers will be reminded by e-mail of requirements and important dates).
- If the work is dropped off at the Southern Alleghenies Museum of Art at Altoona or Johnstown to be shipped by the Museum to Loretto, the work must be packaged for shipping. Each package must be labeled with the student's name, grade, school, school district, medium, and art teacher's name.
