## **ALTOONA TO HOST ANNUAL CHILDREN'S ART CAMP**

ALTOONA – The Southern Alleghenies Museum of Art's annual children's art camp returned to Altoona this summer. "*Little DaVincis: Artists and Inventors*," taught by Sharron Wall will be taught in small, informal group to foster each children's creativity, personal growth and interest in the arts.

Join us for the STEAM (science, technology, engineering, art, math) inspired camp. Children will learn about artists like Alexander Calder, Leonardo DaVinci, and Andy Warhol through hands on processes like print making and sculpture. Each child will be given a sketch book to store their ideas for their own inventions, studies of mechanical devices, and observational drawings. Children will work on several individual projects as well as a larger group project.

*Little DaVincis* will take place July 29 to August 9 from 12:30 pm to 3:00 pm with a snack break. A reception will be held on August 9 at 2:30 pm. This two weeklong art camp is for children ages 8 to 14. Cost for participation is \$150 per person.

This camp is limited in class size to ensure maximum instructor interaction for all participants. Sign up by calling (814) 946-4464 or emailing [altoona@sama-art.org](mailto:altoona@sama-art.org).
