STUDENT ART EXHIBITION RETURNS TO SAMA MUSEUMS

Loretto – The Southern Alleghenies Museum of Art will continue its tradition of celebrating the area’s talented young artists with the return of *Artists of the 21st Century*, the Museum’s annual student art exhibition. More than 200 student-created works will be featured in the dual exhibitions. *Artists of the 21st Century* will be on view at SAMA-Loretto from February 10 through March 24 and at SAMA-Ligonier Valley from February 24 through April 15.

The exhibition, held in conjunction with National Youth Art Month and the State Arts-in-Education Month, is open to schools that participate in SAMA’s Museum/School Partnership Program. Through the program, SAMA educators travel to public and parochial schools to provide Arts-in-Education programs designed to enhance students’ understanding of art creation, technique, history, criticism and aesthetics. The award-winning program is the largest of its kind in the Commonwealth.

Approximately 200 students will be represented in the two exhibitions. Schools in Westmoreland and Fayette counties will be exhibited at SAMA-Ligonier Valley, while schools in Bedford, Blair, Cambria, Indiana and Somerset counties will be featured in the Loretto exhibition.

Each Museum will hold an opening reception to celebrate the exhibition and the region’s student artists. The SAMA-Loretto reception will be held from 1 to 4 p.m. on Saturday, February 11. SAMA-Ligonier Valley’s reception is scheduled for 1 to 4 p.m. on Sunday, March 4. Please note that parking for the Ligonier Valley reception is available at Fort Ligonier only, with free shuttles running to and from the Museum. The receptions are open to the public, but the Museum suggests a donation of \$1 per person in support of the exhibition.

SAMA Education Coordinator Jessica Campbell said the student art exhibition, now in its fourteenth year, is a special program for young artists. “The *Artists of the 21st Century* exhibition is a great opportunity for students to see their own work professionally exhibited in an accredited art museum,” she said. “This exhibition is one of my favorites because it allows the Museum to share the work of these talented young people with the community.”

In total, 13 districts and 29 schools are participating in the student art exhibition. Each district is permitted to submit up to 20 individual projects and one group project. Schools represented in the Loretto exhibition include: Altoona Area High School; Bishop Guilfoyle Catholic High School; Blacklick Valley Elementary and High schools; Cambria Heights Elementary School; East Side Elementary

School; Forest Hills High School; Indiana Area Senior High School; Northern Cambria Middle and High schools; Richland Elementary School; and Saint Michael School.
