

## Photograph and Media Release Form

We appreciate the opportunity to photograph/videotape your child participating in activities at SAMA. By documenting the creative arts process from beginning to end and capturing the energy, enthusiasm, focus, and pride reflected in each student's artwork, we are better able to share the value and importance of the arts to the education of all students.

The photos and images of your child and his/her artwork work may be displayed and included in online and hardcopy publications, public relations materials, and social and broadcast media produced and distributed by:

1. Southern Alleghenies Museum of Art
2. The Pennsylvania Council on the Arts

**Your child will not be identified by name.**
