PASSING FREIGHT

by Stephen Mallon

04.19.2024 - 07.07.2024

Passing Freight is a solo exhibition of photographs celebrating the unique beauty and function of freight train cars in the United States. Mallon's photographs "capture the grandeur of the human capacity to achieve immensely complicated engineering feats by revealing the subtle yet intricate beauty of rail cars passing across the American landscape."

"Passing Freight" and "Contours: Land, Rail, Rau" were made possible through the generous sponsorship of Curry Innovation Center and DiAndrea Media.
