

## ABOUT

Welcome to SAMA! Here you will learn about American and local art and artists. There are two spaces connected by a stairwell, the Paula and Dean Lemley Gallery. On the first floor, you'll find the Nicole Renae Clark Creativity Studio, gift shop, restrooms, and a series of 3 galleries: the Titelman Galleries. On the second floor, explore the Ashe, Donald M. Robinson, Jerry & Joan Hawk, and Children's Discovery Galleries.

 The first floor is accessible to everybody. A video tour of the second floor galleries is available to view at the Information Desk.

 The Information Desk has all the information you need on our activities, lectures, tours, schools programs, exhibitions and the artworks in the museum collection. Our Visitor's Services Associate will be happy to help you.

 The Gift Shop is located at the front of the building and is wheelchair accessible.

We kindly request that you do not take umbrellas, liquids or food with you into the museum.

Thank you for visiting SAMA!
